Experience

Over the past 3 years, I've been lucky enough to establish relationships with amazing clients, ranging from individual clients, through up-and-coming startups, to non-profit organizations.

weCare - Head, Design

Jan 2018 – Present

- Designed and created promotional content for social media campaign
- Art direction on branding and website style guide aesthetics
- Creating wireframes, user-flows and prototypes
- Designing the user interface and page layouts
- Developed the organisation's website using ReactJS with Gatsby framework

Management Students' Association - Freelance Designer

Jan – Sep 2019

- Created event brochures and promotional contents
- Designed event proposals that attracted high calibre sponsors like MTN and SPAR Nigeria amongst others
- Art direction on branding materials like T-Shirts and others.
- Photographed and covered key event moments

Nigerian Universities Accounting Students' Association - Freelance Designer

Aug 2016 – Sep 2019

- Redesigned association's logo for a fresh modern feel
- I worked as the only designer for the association, designed numerous events promotional materials and increase efficiency rate of publicity for events by 15%
